To whom it may concern-

I am writing in support of the rezoning for case 19-ZONE-0071 to C-1. I cannot make the hearing but I own 15 properties in butchertown and 10 across the street on Wenzel, E Washington and E Main and I am 100% for this proposal. The owner is a great property owner that lives in the neighborhood. He's done a great job fixing the building up.

This change is needed so the building can match the commercial use it's had over the past 10 year.

Please let me know if you have any questions. My number is 5025998270.

Thank you.
