Importance: High

Good Morning Dana –

I hope your new year is off to a great start! We are hopeful that as vaccinations become more widely available, our community will be able to gather safely for events this year. There are many unknowns right now as to what the situation and health regulations will be this summer, but our plan has been to move ahead tentatively to prepare for the Riverview Festival and continually re-evaluate as the event date nears.

Some of our sponsor application deadlines are nearing, including our major sponsor, Brown Forman, which is February 1. I wanted to check in with you to confirm that you would sign off on our grant application and that Parks would accept NDF funding for the event.

Councilman Blackwell and I are happy to set up a phone call or WebEx meeting if you'd like to discuss further.

Thank you,
Liz McQuillen

Subject: 2021 Riverview Festival NDF

Good Afternoon Dana –

I hope this email finds you well and that you enjoyed a relaxing Thanksgiving break!

Councilman Blackwell has been working with John Grantz of Media Events about the possibilities of hosting Riverview Festival on July 3, 2021. We know that many factors will have to be weighed in the coming months to determine whether this event can be held with modifications to safely accommodate attendees, if it can be held at all.

Given the timing that it takes to transfer Council NDF funds into Parks accounts, we wanted to move forward with the appropriations paperwork so that money is available should we need to pay deposits for bands, equipment, etc. next year. If we are unable to host the event, that funding would return to the Council's NDF accounts like they were returned for this fiscal year.

We are writing to ask for your confirmation that Metro Parks will accept the NDF funding for Riverview Festival.

Please let me know if you have any questions or would like to discuss further.

Thank you,
Liz McQuillen
