I'm not sure what the individual amounts will be. May. It know for sure until it's in the floor. I will sponsor w \$7000 and then we will have to see what other 3rd division members are willing to contribute. Some have just slivers of the 3rd while others have only the 3rd. I may end up giving more once we know on the floor what's still needed. I've copied Latonya as she's preparing the ordinance. Thx!

Yes, I have the estimate. Once I get individual sponsor amounts and the response from the Major accepting the funding, I will submit. Thank you,

Heather, I've already contacted LaTonya about it and Major Robinson sent the full estimate to your mine and Councilwoman Hawkins email so the amount is \$35k and some odd but you can find the exact number there. But I already started the paperwork with LaTonya. So you might want to touch base with her. I sent the request to LaTonya on Friday asking that it be in new business today, even if it was a placeholder. But they said they had to get councilman blackwell's approval to accept it late even though I requested that they just put a placeholder in there, so it was prior to the noon deadline. Anyway.....

Thx

I checked in this. They are hopeful that other 3rd division districts will add on as sponsors. If it is not fully funded the LMPD 3rd division can choose to not do the entire remodel, just enough of what they have funding for.

I hope this helps.

Thank you

Heather,

I remember that others were going to contribute to this project. The total cost is \$35,607.18 and you're at \$12,086.74 right now. Will the other Council Members make up the difference to get to the total amount? If not, I think we'll need to know how LMPD plans to pay for the remaining cost.

LaTonya,

Is am I correct in my last statement above? I wanted to ask you before I make Heather go out of her way to find this out.

Thanks,
Sonya
