Kyle,

I have the first 2 of 4 estimates. Please note that these are estimates based on conditions seen in the field. I've added contingencies that are intended to cover items that are unforeseen as conditions could change when excavation occurs.

1. **Northwest Corner Lindsay & Hite - SR# 4298141, \$4,000.00.** This estimate includes new & replacement sidewalks, and contingencies to cover anything unforeseen.

2. **Mt. Holly between Cleveland Blvd and Lindsay SR # 4297549, \$53,000.00.** This estimate includes new sidewalks, a retaining wall, field survey, and contingencies.

I'm awaiting estimates for the last 2 requests. Please let me know if you have questions or comments in the meantime.
