Hello Jay,

AT&T cannot sign off on closing this alley. AT&T has fiber and copper services on a pole route going back through this alley. If the developer wants AT&T to sign off on the street closure, they will need to pay AT&T to have the cables rerouted. If you have any questions, please call me at 502-619-0841.

Thank you,

Please review the attached street closure application. I sent this out a few weeks ago, but I wanted to make sure everyone has a chance to comment, not sure I have received all the comments I expected. It is almost ready to go to LD&T.
