Additional Notes

As a resident in Butchertown, I'm starting to feel the effects of cultural and systemic issues... I can only do so much professionally. I see this invitation to serve as an opportunity to begin helping to solve these issues from a different perspective through volunteering and providing real perspective on the area that I call home. I'm hopeful that through this service, we can continue to improve downtown Louisville and its environment for residents and businesses.

Background Check

If you are recommended for a board position, you will be contacted by Metro's Boards and Commissions Office requesting information to complete a background check.
