

Case No. 17ZONE1073 Binding Elements

RESOLVED, the Louisville Metro Planning Commission does hereby **RECOMMEND** to the Louisville Metro Council that the applicant's pattern book be approved, **SUBJECT** to the following binding elements:

1. Prior to development of each site or phase of this project, the applicant, developer, or property owner shall obtain approval of a detailed district development plan in accordance with the PDD use map and pattern book.
2. No outdoor advertising signs, small freestanding signs, pennants, balloons, or banners shall be permitted on the site.
3. Before any permit (including but not limited to building, parking lot, change of use, site disturbance) is requested:
 - a. The development plan must receive full construction approval from Louisville Metro Department of Codes and Regulations Construction Permits and Transportation Planning Review and the Metropolitan Sewer District.
 - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
 - c. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
 - d. A minor plat or legal instrument shall be recorded consolidating the property into one lot. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services; transmittal of the approved plans to the office responsible for permit issuance will occur only after receipt of said instrument.
4. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
5. The applicant shall work with the staff of TARC to finalize the locations of the TARC stops along the roadway frontages adjacent to the development site.
6. The applicant shall provide deeds of restriction establishing the Design Review Committee and their duties in regards to the development of the site.
