SECTION 4 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

The goal of this project is to expand and improve the playground at Wheeler Elementary School. The existing play structure has a capacity of only about 30 children, while it is a school of close to 700. Our current playground is also more suitable for younger children. The school's PTA has raised funds for 2 years and have been able to secure the funds to put in one new playground piece. We would like to purchase two additional playground pieces and incorporate them into the existing playground equipment with pieces. We began fundraising for this project during the 2014/15 school year and hope to have the project finished by the Fall of the 2016/17 school year.

We are planning to have the first playground piece installed in the Spring of 2016. We hope to install the last two pieces as soon as we are able to secure the funds.

The project is going to benefit all the students at Wheeler Elementary School. It will also benefit the neighborhood with which Wheeler resides and the greater community. Wheeler Elementary has a large and open school property. The grounds, the walking track, and the existing playground are well used by families who live in or near the neighborhood.

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

The funding will be used to purchase two additional pieces of playground equipment. It will be used for the installation of that equipment. It will used to install two benches near the playground. The two additional pieces of equipment are a "Ten Spin" which costs \$2700 and a 25' "See-Saw" which is priced at \$6100. Additionally, the plan is to purchase two 6' inground benches with a total cost of \$788. The installation of the benches and the two additional playground pieces is quoted at \$2100 for a total project cost of \$11,688. The additional funds, over the grant, is to be covered through fundraising efforts led by the School's PTA.

A handwritten signature in black ink, appearing to be the initials of the applicant.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

C: If this request is a fundraiser, please detail how the proceeds will be spent:

This request is not a fundraiser.

The playground equipment will be purchased by October of 2016. If we are successful with fundraising we may be able to push that forward.

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

- Effective October 24, 2013, reimbursements should not be made unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):
- ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
 - ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

- The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:
- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.

The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

The project is designed to encourage and increase opportunities for physical activity and imaginative play for our students and children within the community. Numerous studies show the importance of physical activity during the school day and how it supports social, emotional, and academic development of children. A great playground should stimulate children to explore, to try new things, to challenge themselves and to use their imagination.

The playground will offer those benefits to both the school and children living in the area.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

A handwritten signature in black ink, appearing to be the initials "JL" or similar, written over the "Applicant's Initials" label.

Independent Auditor's Report

Board of Directors
Jefferson County Public Education Foundation, Inc.
Louisville, Kentucky

We have audited the accompanying financial statements of Jefferson County Public Education Foundation, Inc., which comprise the statements of assets and net assets – cash basis as of June 30, 2014 and 2013, and the related statements of revenues and support, expenses, and changes in net assets - cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jefferson County Public Education Foundation, Inc. as of June 30, 2014 and 2013, and the changes in its net assets for the years then ended in accordance with the cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

JEFFERSON COUNTY PUBLIC EDUCATION FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014 AND 2013

(1) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND NATURE OF ACTIVITIES**

Nature of Operations

The Jefferson County Public Education Foundation, Inc. (the "Foundation") is engaged in the solicitation and receipt of gifts, grants, and contributions from individuals, groups, corporations, and other sources, public and private, to assist and support the public school system of Jefferson County, Kentucky. The Foundation also engages in other activities to advance the education of citizens of Louisville and Jefferson County, Kentucky. The Foundation qualifies as a non-profit organization under Section 501(c)(3) of the Internal Revenue Code and is, therefore, exempt from federal and state income taxes.

Basis of Presentation

The accompanying financial statements are presented on the cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, revenues are recognized when received rather than when earned and expenses and purchases of assets are recognized when cash is disbursed rather than when the obligation is incurred. This basis differs from accounting principles generally accepted in the United States of America primarily because the Foundation has not recognized donor pledges or in-kind donations.

The Foundation reports net assets and revenues, expenses, gains, and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted net assets – Represent the portion of expendable funds available for support in the operation of the Foundation.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. At June 30, 2014 and 2013, the Foundation had no permanently restricted net assets.

Certain prior year accounts have been reclassified to conform to current year presentations.

Cash and Cash Equivalents

The Foundation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. However, if a restriction is fulfilled in the same time period in which the contribution is received, the entity reports the support as unrestricted.

(1 - continued)

Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, the financial statements do not provide for income taxes.

The Foundation has implemented the accounting guidance for uncertainty in income taxes. Under that guidance, tax positions need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of June 30, 2014, The Foundation has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The Foundation files federal income tax returns. Returns filed for the tax years ended on or after June 30, 2011 are subject to examination. The Foundation is not currently being examined and management believes its tax-exempt status would be upheld under examination.

(2) **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents included in the accompanying statements of assets and net assets consist of the following as of June 30:

	<u>2014</u>	<u>2013</u>

Checking accounts	<u>18,777</u>	<u>18,814</u>
Total	<u>\$ 1,625,514</u>	<u>\$ 1,582,351</u>

The Foundation maintains its cash in bank deposit accounts which, at times, may exceed FDIC limits. However, the amounts in excess of the FDIC limits exposed to credit risk are secured by United States Treasury repurchase agreements pledged by the Foundation's bank and held in the Foundation's name.

(3) **CONTRIBUTIONS**

The Foundation's revenue consists primarily of donor contributions. The Foundation records multi-year pledges in the period in which the contribution is received under the cash basis of accounting.

(4) **BOARD DESIGNATED NET ASSETS**

Unrestricted net assets include an amount designated by the board of directors of \$175,000 at June 30, 2013. The remaining balance at June 30, 2014 was \$103,765. This designation is to fund advanced teacher training and a new outreach program called ACT Now to improve students' qualifications for higher education enrollment opportunities.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Dear TAXPAYER:

This is in response to your June 03, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in JULY 1983.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

To Whom It May Concern,

Wheeler Elementary School is in a neighborhood environment. We have a large campus with a walking track and a basketball court. Our grounds are well used by the neighborhood families. Our playground equipment is available to anyone in the neighborhood after school hours. Our new playground equipment will be accessible to the general public and will be a great asset to the community.

Sincerely,

Penny Espinosa, principal
