Hi Andrew,

I understand you've worked with AI on a traffic plan for Brownsboro Road. Can you please provide me with a cost estimate for the work and closure?

Thanks,

Kyle

Kyle,

That plan will work for us.

Saf-ti-co is a current contract holder but I am not seeing any existing contracts with Flag Pros.

Thanks,  
MB

Max,

Thanks for your email. I don't believe any funding would need to be fronted. In the past they have sent an invoice and MPW has paid from our appropriation. If that's allowable we will contact Saf-ti-Co and ask if they are available. I'm not sure if they also provide flaggers but do you also have a contract with flag pros?

Thanks,  
Kyle

Hi Kyle,

From my perspective that shouldn't be an issue. I take from your question you are asking if we could front the money until you appropriated that amount back to us? That should be fine. I copied Jeff since something like this would ultimately be within his purview.

Jeff-Please see Kyle's question below. Since the new FY16 budget has kicked in we should have the necessary funds to cover.

Thanks,  
Max
