Speed Alert 18 Trailer.pdf; LMPD 3rd Division - All Traffic Solutions Quote Speed Alert18 Trailer.pdf;

Brian,

I confirmed with Lt. Nichols and per Major Scheu, we would like to have only one additional Speed Machine at this time. With the smooth rotation process I currently have in place and the shortage of manpower, managing two at most is best for me and as we go forward we will know the process to have more purchased.

After reviewing the current and newest models offered, the decision was made to request the Speed Alert 18 model. I have included the information sent to me by Max Wicklein from All Traffic Solutions. I have no clue at all how this process works, but I wanted to start with sending you what I do have. I just informed Mr. Wicklein of the decision and that the information was being forwarded.

I truly apologize for the delay in the decision, we had to discuss this with other divisions and contemplate the managing of the new machine. I will be working tomorrow in the evening. I will be available during day hours Thursday and Friday this week if you have any questions.

Respectfully,

Officer Stephanie Spaulding (381)

Lt. Nichols,

Since this is the quote for the Speed Machine, I wanted to forward it to you, so you can reply to those requesting the "okay on it" so that the funding is being excepted. I will set a reminder for later this week to figure out the process and review it with you.
