One of our Officers, Todd Boyd called Councilman Yates last week and asked about funding for an ATV trailer for the Third Division. Councilman Yates asked for the information because he said you all were working on the budget for the new fiscal year. I am waiting for additional information regarding the cost of a trailer which would haul two ATVs. I have received a quote of \$1,550 from Joe Hill's Auto Center and we are double-checking to make sure this company will be an authorized vendor for Metro Government for the new fiscal year. Anything you all can do for the Third Division will be appreciated. Please contact me if you need additional information. Thanks

President Yates has been contacted by Major Hardison and officers of the 3rd Division about the need of a new ATV trailer to transport ATVs throughout our community to police areas such as Riverview Park, Jefferson Memorial Park and the old Sand Pit. President Yates has agreed to fund the purchase of a new ATV trailer to ensure our officers are able to continue to police our community for our constituents. President Yates has committed \$500.00 toward the total \$1,550.00 estimate. President Yates asks that you help fund this purchase for our officers with a \$350 CIF appropriation. Please let our office know if you are willing to help fund this request and I will deliver the paperwork to your office as soon as possible. Thank you for your consideration.
