Bryan,

The cost estimate to install pavement markings along Bluegrass Ave from Peachtree Ave to Southern Pkwy is \$3,250. Please understand this project is being funded through Council's office and LMPW will not be able to accept responsibility to refresh these markings once they become deficient. If the markings are to be refreshed it will have to be funded by an outside source in the same way it is initially.

Thanks,

Hey Stuart – Is there a possibility I can get the estimates in time for the Monday, June 6, new business deadline? That way I can go ahead and get the ball rolling on the funding.

Also, have you heard any updates on if the Male sign has been posted?

Thanks! Bryan

Stuart - Councilman Johnson is requesting an estimate for striping on bluegrass ave from Southern Parkway to peachtree.

He also wants an estimate for striping on peachtree from Brookline to west ashland.

He has authorized me to begin the appropriations process once the estimate is received.
