Good Morning Brian!

We can certainly have the initial sign ready by October 21st. The cost per sign will run **\$188.00**. To initiate fabrication we will only need to know the amount of signs needed along with the cost center account number. Additionally, we will need you to confirm the desired message for the honorary signs.

Once the resolution has passed we will have the remaining honorary signs ready for installation within three weeks. If we can provide any further assistance please feel free to contact us.

Kindly,

Kenny Slaughter

Brian,

That shouldn't be a problem. We need to know exactly what you would like the sign to say.

Kenny,

Please provide CM Yates' office with a cost of the requested signs and schedule the fabrication of one of the signs. We are going to fabricate the first one before resolution for them to present to the Mr. Gleason. Once we have the documentation for official designation we will schedule the fabrication and installation of the others.

Bonnie,

Please set up a WO to fabricate one sign. Another WO will come soon.

Thanks,

Subject: Honorary Street Sign

Stuart,

President Yates would like to fabricate an honorary street sign (Arch Gleason Way) for Mr. Arch Gleason, Long-time (23 years) President & CEO of the Kentucky Lottery. Currently Mr. Chip Polston is working to rename a street near the headquarters of the Kentucky Lottery, whose address is: 1011 W. Main Street, Louisville, KY 40202. I believe it is North 11th Street between Main Street and Rowan Street or it could be the access way off of 11th Street to the Parking Lot.

KY Lottery is having an event on October 21st, 2016 to support the Gleason family and say thank you for all of Mr. Gleason's hard work and dedication to KY Lottery. As the process for the official and formal naming will take much longer and will not be official by October 21st, President Yates is interested in fabricating an Honorary street sign to have ready by October 21st to present to the family as a gesture for Arch's leadership.

Please let me know the cost and time that this would take to be completed. We would like to fund as soon as possible if this is possible.

Thank you,

Brian Boles
