Good Morning,

Liz after speaking with you and looking into the issues I feel that \$3,000 would be a good starting point to address the ATV activity with OT directed patrols. This would give us approximately 55 man hours of patrol to use in the listed areas. Let me know if you have any further questions or need anything else.

Thank you,
Eric

Good Morning Lt. Wampler –

Thank you for calling to speak with me about the Overtime ATV enforcement in District 12. Below is a list of areas that we have received complaints about this summer. I have provided the constituents names and contact information where available as they can provide the most details about the times that it is occurring.

District 12 ATV Enforcement Areas

- Westbrook Road – constituent noted mornings & afternoons
 - o Rick Roller, 619.3178
- Triangle Drive – weekends and weekday nights
 - o Stevie Phelps – 502.712.6227
- Yuma, Inca & Cochise- happening mostly at night (between 8-10 pm)
 - o Jeffrey Craig is the constituent that has contacted our office about this – He has also been in contact with LMPD about this issue over the summer and it seems to be stemming from one property with teenagers on Cochise.
- Strive Lane – dirt bike activity and drag racing on the street, in evenings/nights
 - o Lloyd Stevens – 502.744.2969

Please provide a quote for the overtime funding necessary to address these areas. If through the enforcement, your officers feel more patrols are necessary to address the problem, we can examine our budget to supply additional funding.

Your assistance in this matter is greatly appreciated,
Liz McQuillen

Subject: LMPD 3rd Division - NDF for ATV overtime detail

Good Afternoon Major Baker –
CM Blackwell asked me to follow up with you regarding the overtime funding for the 3rd Division to address the ATV activity in several areas of District 12.

If you could please provide an estimate and a contact, we can get the NDF paperwork started to get the funding in place.

Please let me know the best way to proceed.

Thanks,
Liz McQuillen
