Dear Mr. Lucket: I would like to object to the two development notices re above property, due to traffic concerns (I cannot attend the June meetings).

The traffic congestion on Route 22 and North Hurstbourne Parkway is already bad. The recent building of luxury apartments on Simcoe Lane will exacerbate this problem (note recent jams during road works).

Adding more buildings in this same area without some realistic traffic solution would be irresponsible. I believe any thorough traffic study would prove this.

Regards,
