

To Whom It May Concern:

I am seeking a short-term rental permit of a dwelling unit that is not my primary residence. The property located at 701 Burton Ave, Louisville KY 40208 is a 3-bedroom, 2-bath single-family structure that will allow a maximum number of 8 guests. There are 3 private parking spots located behind the house on the property that guest will use.

This property will be purely for short-term rentals so the maximum stay for a guest would be 29 days or less. Only one rental agreement at a single time will be allowed on the property. No host will be on the property will the property is rented to guests and guests will have access to the entire property. Also, no food or beverages will be provided to guests.

Thank you so much for taking the time to review and consider this proposal.
