CW Dorsey,

Here's the estimate for making the intersection look roughly like the attached, taking from the northeast corner.

Subject: South 23rd & Becker Court Cost Estimate

Dirk,

Please find below my cost estimate for South 23rd & Becker Court. My footprint may be bigger than your sketch anticipated.

I had estimates for 12" Base Failure repair, Mill & Pave throughout the entire intersection, a minimum for thermo paint installation, Changeable Message Signs for advanced warning, etc. The cost is approx. **\$50,000** for construction.
