Heather,

Thanks for your time today. Very helpful. I look forward to you sending me the Middletown STR ordinance/rule. I forgot to mention the document that I will be referencing when I speak on Monday which I note the rules for speakers require me to discuss with you. I attach that document hereto which is simply the current MLS listing for the property which shows that the property is "under contract" and references the pending CUP application in the description of the property. Please confirm receipt of the attached document and advise if I need to discuss with you further. Thanks.
