

### **Justification Statement**

**Project Name:** Cecil Ave and Doerhofer Ave Street Closure Request

**Case Number:** 22-STRCLOSUREPA-0018

**Date:** May 3, 2023

The proposed closure is in compliance with the Comprehensive Plan, as I have completed all required steps in the Street & Alley Closure Pre-Application, to include notifying all property owners adjacent to the affected street. Additionally, I have obtained a plat, completed by a registered land surveyor in the Commonwealth of Kentucky. The street closure will provide better safety and security for my family and will reduce litter from passersby.

Thank you,
