You can either do this with PAV or CIF. If CIF the wording will be:

\$14,000 Additional funding needed for MAP and MAP Match paving projects: Unselld Blvd from Petersburg to Exeter (\$82,000) and Roosevelt Avenue from Morgan Ave to Dead End (\$32,000).

If you use PAV the wording will be:

\$14,000 additional funding from 8127 410 8105 148947 822810 needed for MAP and MAP Match paving projects: Unselld Blvd from Petersburg to Exeter (\$82,000) and Roosevelt Avenue from Morgan Ave to Dead End (\$32,000).

Beth,

I'm getting ready to prepare an CIF for \$14K for the work described below. Do you have a recommendation of how it should look?

Thanks,  
Carrie

Carrie,  
The projects that PW will be paving with the \$100,000 from D10 are Unseld Blvd from Petersburg to Exeter (\$82,000) and Roosevelt Avenue from Morgan Avenue to Dead End (\$32,000). The cost for these two projects exceeds the available amount by \$14,000. I believe Beth was going to get with you on how to handle the additional \$14,000 required. I wouldn't anticipate these getting paved until the Spring of 2016. The paint on Trevilian is in preparation or paving. I'm hoping to get it paved by mid-September.  
Thanks,  
Andrew

Good Morning,

Councilman Magre wanted to touch base with you about District 10 paving. He submitted a list of streets for his MAP money. He would like to know how many on this list will be completed with the \$100K and when are scheduled and completed.

He has another list of streets that he wishes to use the \$75K paving funds to complete. I will be working on the paperwork to get those over to you all soon.

I noticed paint markings on Trevilian Way at the curve. I'm guessing that is you all prepping for that job.

Thanks,

Carrie Peers
