Subject: Trash Cans Follow-Up

Hello Christa!

Barbara was so great at our Groundbreaking Ceremony. She is just the best speaker!

I know we were in a discussion about the 2 trash cans Barbara will be providing for in front of the Logan Street Market and I wanted to follow-up on that. I am still waiting to hear back from Aida Copic from TARC about their final decision on the covered busstop but it appears that whichever option they go with will come with a trash can.

So. Let's move ahead for one on the south end of the building on Logan & St Catherine corner and then one across the street from us on the southeast corner of our parking lot.

Please let me know anything that I need to do to move forward!

Thanks a million!

Subject: Questions about the cost of a permanent trash can

Hello sir,

What is the cost of a permanent trash can to be placed at 18th and cedar at the bus stop. People keep dumping the trash in the yard and stealing the wire reseceptacles.
