

Louisville Metro Council City Agency Request
Neighborhood Development Fund (NDF)
■ Capital Infrastructure Fund (CIF)
Municipal Aid Program (MAP)
Paving Fund (PAV)

Primary Sponsor: BRENT T. ACKERSON

Amount: \$4,644.00 **Date:** 02/01/2019

Description of program/project including public purpose, additional funding sources, location of project/program and any external grantee(s):
FURMAN BOULEVARD ISLANDS tree plantings to include cost of eight (8) trees, installation, and a three (3) year maintenance plan.

City Agency: Division of Community Forestry
Contact Person: Erin Thompson
Agency Phone: 502-574-4030

I have reviewed this request for an expenditure of city tax dollars, and have determined the funds will be used for a public purpose and have the attached documentation from the receiving department concerning the project/expenditure.

Furman Boulevard: Tree Plantings

Cost Estimate is prepared at the request of Council District 26

This cost estimate is based on the number of trees proposed for the islands of Furman Boulevard and prepared at the request of Metro Council District 26: Brent Ackerson's office. The tree planting cost is for the purchase of tree stock, contractor installation and a 3-year maintenance plan for watering and mulching the trees. The prices for the trees are based on current wholesale nursery stock price of a 1.5-inch caliper tree and the Division's contract with Podges Enterprises LLC. for the installation and the maintenance of the trees.

Average cost per tree with a three-year maintenance plan	\$580.50
Total number of Trees	X 8
<hr/>	
Estimated Total Cost	\$4,644.00

Furman Boulevard Islands

Subject: Cost Estimate for Furman Blvd Planting Project
Attachments: DCF Cost Estimate_Furman Blvd Planting Project Proposal_CD26.pdf

Good Afternoon Jeff-

Please find attached the cost estimate for the planting of Furman Blvd islands. Have you or CM Ackerson spoken to the Highgate Springs NA if they have a design concept for this island. There has been several plantings in the island that the Division has not been contacted about and I'd like to make sure that we are working in cohesion with them on this plan. If you have a contact, I'd love to discuss this with them if council is going to go through with funding the project.

If council appropriates funds, the Division will accept them and schedule the work to be performed by the contractor. The Division is unable to schedule the work prior to receiving funds. Depending on the time funds are received, available nursery stock, and the planting season (normally November to April) the trees may not be planted until Fall of 2019. The Division will keep council advised on scheduling throughout the process.

Please let me know if you have any questions.
Thank you, Erin
