- Mr Lockett, My name is John Cowley, I own property at 11528 and 11530 Bellewood Garden Court directly across from the proposed new building. I want to strongly object to this change in the plans for the development. This new building goes against the original plans of which I considered when I bought my units. There is very little room for the proposed building and parking will be a headache for sure. The change in plans will surely hurt my property value and the value of all the surrounding properties. Please reconsider the approval of this change. Sincerely John P Cowley
