CAUTION: This email came from outside of Louisville Metro. Do not click links or open attachments unless you recognize the sender and know the content is safe

I do not believe any exceptions should be made for the size of signs. If an exception is made in this case then an exception will be wanted in all cases. That stretch of Bardstown Road has been consistent with signage and should maintain such. Do not start letting the signage overpower the roads -- keep the signage consistent with what other businesses are restricted to.

Thank you for your consideration.
