Subject: Estimate for Southmeade Circle - New Sidewalk Request

Follow Up Flag: Follow up
Flag Status: Completed

CM Blackwell / Liz,

Please find below the estimate for the new sidewalk extension along SouthMeade Circle. I estimated this with 2 options. The first one is what you asked for: new sidewalk at both ends of SouthMeade Circle. The costs would be **\$16,500** for both sections. These costs would include new 5' wide sidewalk, ADA compliant detectable pavers, seeding & protection and a contingency for anything unforeseen.

I also priced the section along Oak Valley Drive from SouthMeade Circle to Blanton Lane. This would add a nice pedestrian path up to the Blanton Lane sidewalk project (still looking for future funding). This costs would be **\$22,500**. This cost saves the project an extra Mobilization charge if done congruently.

Subject: Southmeade Circle - New Sidewalk Request

Good Morning Steve –

Our office was contacted by the Oak Valley HOA requesting that sidewalks be constructed at both ends of Southmeade Circle to connect the existing sidewalks to Oak Valley Drive.

Please see the attached file with red lines indicating what areas we need included in the estimate.

Please let me know if you have any questions.

Thanks!
Liz McQuillen
