We'll initiate a transfer of funds to Public Works today that will be heard in Appropriations Committee on 6/19 and then pass out of the Metro Council on June 25th - I don't know how long the delay is before Jeff can then transfer the funds to Brad. The total amount will be \$13,175 to pay for: one (1) 4-seat configuration; eight (8) three-seat configurations; and 10 two-seat configurations.

Does that work for everyone? Thanks.

Brandon,

Please let me know when the funds are available to get the prototype built. Rockerbuilt has the 3-seat prototype in their possession, but need a deposit to get started so they can move forward with the sandblasting and powder coating.

Thanks,  
Patrick
