To Whom It May Concern,

My husband, Paul Cox, and I are planning to operate 4513 Southern Parkway, which is located next door to our primary residence, as a short-term rental property. We are experienced in the short-term/nightly rental business as we own 3 vacation rental homes in South Florida. Paul has a degree/background in accounting and my degree/background in civil engineering. Together we own a variety of businesses.

The duplex located at 4513 Southern Parkway is made up of 2 dwelling units. One is located on the first floor and the second unit located on the second floor. Each dwelling unit has 2 bedrooms and 2 bathrooms. Each dwelling unit will be rented separately.

Thankfully yours,

Rebecca Cox

Neighborhood meeting summary:

The meeting was held at 6:30 pm at 4513 Southern Parkway. Neighbors were very supportive of the project and happy to know that the owners were the next door neighbors to the proposed "short term rental". Only 4 neighbors were present. Below are the questions asked and the answers provided by the owners (Paul and Rebecca Cox).

1. Were will quest park?

There is ample off street parking in the rear of the house to support up to 8 cars as well as on street parking and overflow parking out front if needed. But quest will be instructed to park in the rear out of sight behind a gated drive way.

2. What will be the total occupancy of the duplex?

Each unit of the duplex is two bedrooms with a maximum occupancy of 6. With two units the overall maximum occupancy will be 12. The duplex will be marketed as two 2 bedroom units for 4 quest per unit. We will not be typically be advertising for 6 per unit.

3. Will you be promoting local neighborhood businesses?

It is our intention to provide quest with a local guide binder that will promote neighborhood restaurants and other businesses.

The quest were able to tour the house and look a renderings of what the finished product would look like. Estimated completion is set for 8/31/19. In general the neighbors were excited about the project and pleased that a fellow neighbor would be operating the duplex.
