The regulation of usage of any structure within the TNZD shall be guided by the architecture, size, or traditional use of the building, and in accordance with the purposes and pattern of the district. This table does not provide an example of uses in the TNZD Neighborhood General "Form District"

Edge Transition because this area's list of uses would be based on the specific form district of an area and may vary widely from one form district to another and from one geographic area to another.
