

Neighborhood Meeting
September 14, 2021
7:00 pm
Ninth and O Baptist Church

I Larry Buchanan, arrived at Ninth and O Baptist Church, at 4401 Breckenridge Lane at 6:30 pm on September 14th, 2021. I unlocked the doors at 6:40 pm on September 14th, 2021.

I had one person show up for the neighborhood meeting, his name was Ken O'Brien #502-415-5247, he lives directly behind the church on Starlight Dr. He had a couple of questions. Where will the pavilion be located and will there be any loud music playing when we are back there. I showed him exactly where the pavilion would be located and shared that there would be no loud music. He left after that and he was very satisfied. I locked the doors of the church at 7:20 pm. And left for home.
