Myself and Bonnie Roades. She handles the billing and will be the one to create the work order.

Derek –

That sounds great (and inexpensive!). We will get the paperwork going on our end and it should be passed at the 5/14/14 Appropriations Meeting.

Should I list you as the contact for the funding/project?

Thanks,  
Liz

- Fabrication & installation of 1 – 60" x 30" Cheerleading State Champs 2012 = \$ 162.00
- Fabricate & Install 3 patches updating Bowling & Baseball signs = 21.00 ( \$ 7.00 apiece ). To avoid fabricating new signs we will fabricate and install patches ( decals of same size ). It will be obvious that these are additions. I would suggest this method as a starting point and if the appearance is unacceptable our only option will be to fabricate new signs at the above cost. Just trying to save you folks some money!

Total = \$ 183.00

If all parties except our pricing please know that it would be toward the end of May before we could complete this project. Thanks again

Adding to the Valley Sports sign posts works for us.

Thanks!

Hello Liz, by Stuarts photo I see room under the Valley Sports Little league sign that could be used for the new cheerleading sign. If that's not desirable we could set 2 new posts off to the side of the 3 PRP signs and have 2 ( PRP ) signs on each set, leaving the little league sign alone. We just want to avoid 4 signs stacked together, you run into all types of problems, the bottom sign being demolished by mowing and the top one being too high to see. Thoughts?

Liz,

I made a site visit this morning. I noticed that there was a sign for bowling (boys and girls), basketball and baseball. None for cheerleading. Is that the new sign that you want instead of a new one for bowling? I am confused. Photo attached.

Derek,

Can we update signs or do we have to make new ones? FYI, the signs are 60"x30".

Thanks,

Good Afternoon Stuart & Derek –

I wanted to follow up with you both about these signs. How do we proceed?

Thank you,  
Liz

Good Afternoon Stuart & Derek –

CM Blackwell would like to update the two signs we already have placed at PRP High school with their additional championship information and install an additional sign for the Girls Bowling Championship (for the 2012 year ONLY).

How do we proceed with this? (BTW – if I'm in the wrong place, I apologize and please point me in the right direction ☺)

Thanks,  
Liz
