RE: LD&T notice- Case No. 14DEVPLAN1031, 8708 Brownsboro Rd  
Elimination of 6 foot perimeter privacy fence

Ms. Williams

Section 3 is the only section this minor amendment to pattern book affects The City of Ten Broeck and its Residents. Elites Homes stated section 3 will be the last section to be completed. Section 3 has blinding element to include a berm as well as the 6 foot privacy fence, in which is now section 3.

Therefore, we have no objection to this amendment as long as section 3 is not included in this minor amendment.

Today, I talked to Rocky Pusateri, Elite Homes, and he has no problem waiting till section 3 is starting.

This can be presented when that time comes to start section 3.

Wyndham Place will be greatly affected by the proposed minor amendment as Section 1 of the Summit Gardens will parallel a portion of their subdivision. It is our understanding that they will address this amendment.

However, if section 3 is included in this minor amendment we strongly reject this amendment.

Sincerely,

Robert A. Roos  
Mayor, City of Ten Broeck
