**Subject:** 11601 Diode Ct Development Plan 19-DDP-0053

**CAUTION: This email came from outside of Louisville Metro. Do not click links or open attachments unless you recognize the sender and know the content is safe**

---

This is a heavily treed lot that is proposed for a development plan without showing some tree preservation plan ... A tree plan should be part of the development. The truck turn parking is not shown on the rendering. and it is along a retaining wall for the truck dock.....doesn't seem feasible as shown..
