CERTIFICATE OF OWNERSHIP AND DEDICATION

This is to certify that the undersigned is the owner of the land shown on this plat and hereby acknowledges the same to be the plat of GLENMARY and does hereby dedicate in public use the DRIVE, ROAD AND COURTS shown hereon.

OWNERS: William T. Hinton

PRESIDENT

CERTIFICATE OF ACKNOWLEDGMENT

STATE OF KENTUCKY
COUNTY OF JEFFERSON

I, DONALD A. RUSSELL, a Notary Public in and for the County aforesaid do hereby certify that the foregoing plat of GLENMARY was this day presented to me by WILLIAM T. HINTON, known to me, who acknowledged the Certificate in my presence and acknowledges it to be HIS free act and deed.

Witness my hand and seal this 31st day of JAN., 1990.

My Commission expires 29th day of FEB., 1991.

Notary Public

CERTIFICATE OF APPROVAL

Approved this 14th day of March, 1990

LOUISVILLE AND JEFFERSON COUNTY PLANNING COMMISSION

Charles Drivas

CERTIFICATE OF RESERVATION OF ELECTRIC & TELEPHONE EASEMENTS

The spaces outlined by dashed lines and marked "electric and telephone easement" are hereby reserved as easements for electric and telephone utility purposes, which include: (1) the right of ingress and egress across all lots; access rights; and the right to bring from time to time upon the land above set forth any and all equipment, machinery, and apparatus which may be situated in said easements; (2) the right to trim or remove trees, overhanging trees and saplings within 10' of the closest conductor within the easement; (3) the right to keep the easement free from all other encumbrances which may be detrimental or dangerous to the proper exercise of the rights above granted; PROVIDED HOWEVER, that in the event it happens to be within Grantee's reasonable choice to use structures except: (1) the right of any utility company using said easements to remove obstructions, including structures, vegetation or improvements placed within the easements, but obstructions, structures shall be erected within the easement. Fences, driveways and similar may be allowed at the property owner's risk. The Grantee(s) is to remove all trees and their stumps within the proposed construction of the electric lines and restoring land to entire lots/landowners.

(A) All property owners gas outlet supply lines shall be underground in accordance with Louisville Gas and Electric Company Items L.G.&E.'s information sheet concerning service of service lines to customer's dwelling(s), also said service shall remain in and the cost of installation and maintenance thereof shall be borne and assumed by the recipient or owner upon whom the said service use is given.

(B) Grantor/Developer reserves the right to relocate and reserves to each property owner(s) the right to relocate said service lines and electric lines (electric only) or structures as natural location and minimum electric supply sizes as L.G.&E.'s distribution codes, tariffs, service rules, as amended, shall determine the exact location of said equipment.

(C) The electric and telephone underground system on this plat shall be maintained and operated in such manner consistent with the environmental system and no obstacle in the system or subsystem thereof shall be made by any person or the owner without the consent in writing of the Louisville Gas and Electric Company and Ameritech.

(D) Telephone Company

(E) Easements for overhead electric transmission and distribution lines/ poles and equipment appurtenant to connection therefrom for temporary service wires and all service underground parts, down and extension guard devices, provided by said lines and easements for replacements and structure facilities.

Above ground electric transformers and enclosures may be installed at appropriate places on said electric easements.

In consideration of L.G.&E. bringing service to the property shown on this plat it is granted the right to make further extensions of its lines from all overhead and underground distribution lines.

(F) Above ground telephone facilities and dedicated rear lot enclosures at intersections placed in said telephone easements.

NOTE

Also the right to overhang trees and service wires for accommodation and

CERTIFICATE OF RESERVATION OF SANITARY SEWER AND DRAINAGE EASEMENTS

An easement for sanitary sewer and drainage purposes is hereby reserved in, over and under the strips of land and access as ordered and bounded by dashed lines, entitled "Sanitary Sewer and Drain Easements". Together with the right of ingress and egress over all lots in and from the easements, for construction, operation and maintenance of sewers and drainage over said lands, but no permanent structure of any kind is to be placed in, over or under the said lands in respect to said easements. The easement shall be for the benefit of the lots in the subdivision and other land which naturally drains thereon, and said sewers and drains may be connected to the Louisville and Jefferson County Metropolitan Sewer District, or any other public agency hereafter vested authority for such construction, or by owners hereof as approved by said governing Sewer District.

OWNERS: William T. Hinton

PRESIDENT

CERTIFICATE OF RESERVATION OF GAS EASEMENT

The spaces enclosed by dashed lines and marked "Gas Easement" are hereby reserved as easements for underground gas lines and appurtenances thereto, including the right to construct, operate, maintain, repair and remove said underground gas lines and appurtenances, and the right of ingress and egress over all lots to and from the easements and the right to the above said front portion of the easements that may interfere with the construction or operation of the same. No permanent structures shall be erected within the easements, and the building setback easements as shown will remove detriments, structures or construction within the easements. Fences, driveways and garden plots accepted, however, are the property owner's risk.

(A) All property owners gas outlet supply lines shall be at locations designated by Louisville Gas and Electric Company Items L.G.&E.'s information sheet concerning length of service and house lines and through customer's buildings, and like thereto shall remain in, and the cost of installation and maintenance thereof shall be borne exclusively by the respective lot owner upon which the said gas line serves.

Appurtenant easements are hereby dedicated and reserved by each property owner, together with the rights of ingress and egress over adjoining lots or properties to install, operate and maintain gas lines to L.G.&E.'s establishments points thereon, as installed, and shall not alter the exact location of said easements.

CERTIFICATE OF RESERVATION OF DRAINAGE RETENTION BASIN EASEMENT

Easements for drainage and retention purposes are hereby reserved in, over and under the land and access as ordered and bounded by dashed lines, marked "Drainage Retention Basin Easement", together with the rights of ingress and egress over said lots in and from the easements for construction, operation, maintenance and reconstruction of retention basins and other detention facilities. No permanent structures of any kind shall be placed in or over the said lands within said easements, except for drainage structures, pavements and landscape features. The easements shall be for the benefit of the land in the subdivision and such other drainage improvements may be constructed by Louisville and Jefferson County Metropolitan Sewer District, Jefferson County, or by any other public agency hereafter vested authority for such construction, or by owners hereof as approved by the applicable Sewer District or Jefferson County Planning Department. Utility and easement areas are accepted for maintenance by said Sewer District, Jefferson County or another responsible public agency, with utility lines or maintained by the owner of the subdivision for simple title.

OWNERS: William T. Hinton

PROPERTY OWNER'S OBLIGATION

Certain improvements in this subdivision are required by the Metropolitan Subdivision Regulations as specified in an approved construction plan on file at the office of the Director of Works. It is the obligation of every property owner in the subdivision to advise, alter or destroy these improvements and not to alter the conditions existing on the property and will impair the street maintenance of their improvements. For inspection of this provision, the property shall be subject to the inspection of a bond for the amount necessary to remove the violation which may be enforced in a court of law. Said improvements are inspected, and personnel responsible shall be subject to fine.

NOTICE OF BOND REQUIREMENT

After construction approval and release of the undersigned subdivider's bond by the Louisville and Jefferson County Planning Commission, the bonds at specific may be required to post a cash bond in the amount of $1,000.00 as a condition of obtaining a building permit pursuant to Section 2.90 of the Metropolitan Subdivision Regulations
