Board of Directors
Jewish Community of Louisville, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Jewish Community of Louisville, Inc. (JCL) (a nonprofit organization), which comprise the statements of assets, liabilities, and fund balances – income tax basis as of June 30, 2021 and 2020, and the related statements of revenues, expenses, and changes in fund balances – income tax basis, functional expenses – income tax basis, and cash flows – income tax basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting JCL uses for income tax purposes; this includes determining that the income tax basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to JCL's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JCL's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and fund balances of the Jewish Community of Louisville, Inc. as of June 30, 2021 and 2020, and its revenues, expenses, and changes in fund balances, and its cash flows for the years then ended in accordance with the basis of accounting JCL uses for income tax purposes as described in Note A.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the basis of accounting JCL uses for income tax purposes, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

JEWISH COMMUNITY OF LOUISVILLE, INC.
NOTES TO FINANCIAL STATEMENTS

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Activity

Jewish Community of Louisville, Inc. (JCL) is a nonprofit organization that serves to build and sustain a vibrant, caring, inclusive community rooted in Jewish values.

Financial Statement Presentation

The accounts of JCL are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups.

Basis of Accounting

The financial statements are prepared on the accrual method of accounting in accordance with practices permitted for federal income tax purposes, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). The following are the significant differences between that basis and GAAP:

- As permitted for income tax reporting purposes, JCL has not implemented all of the financial reporting requirements for GAAP. Specifically, JCL has not classified the difference between its assets and liabilities as net assets with donor restrictions and net assets without donor restrictions based on the absence of donor-imposed restrictions. In addition, JCL has not reported the changes in each of those classes of net assets in the accompanying financial statements. That presentation is required by GAAP.
- As permitted for income tax reporting purposes, JCL records contributions and grants when they are received or pledged. Annual campaign contributions, in the form of pledges, are recorded as pledges receivable and deferred revenue upon receipt of pledges for the following year. Amounts are recorded as pledge income in the accompanying statement of revenues, expenses, and changes in fund balances – income tax basis during the year in which the pledge is designated by the donor.

Grants are recorded as grants receivable and deferred restricted support upon receipt of the grant. Amounts are recorded as grant income in the accompanying statement of revenues, expenses, and changes in fund balance – income tax basis during the period the grant is designated by the donor or it is used for its specified purpose.

Capital campaign pledges are recorded as pledges receivable and pledge income upon receipt of the pledge. Unconditional capital campaign gifts expected to be collected within one year are reported at their net realizable value. Unconditional capital campaign gifts expected to be collected in future years are initially reported at fair value determined using the discounted present value of estimated future cash flows technique. The resulting discount is amortized using the level-yield method and is reported as pledge income. Conditional capital campaign gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenue when the conditions are substantially met and the gift becomes unconditional.

Other contributions, such as property, are recorded at their fair market value when received.

Under GAAP, contributions received would be recorded as support with restrictions or support without restrictions depending on the existence or nature of any donor restrictions. Contributions with restrictions would be reclassified to net assets without donor restrictions upon compliance with the specific restrictions. In addition, GAAP would require pledges receivable to be collected in greater than one year to be recorded at their present value in the accompanying financial statements.

- JCL received donated services that are not reflected in the accompanying financial statements. Under GAAP, the fair value of contributed services meeting certain requirements would be recognized as contributions and charged to assets or expenses in the accompanying financial statements.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with the accrual basis of accounting used for federal income tax purposes requires estimating some of the amounts reported. Actual amounts could differ from those estimates.

Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include highly liquid debt instruments with maturities of 90 days or less at the time of purchase.

Allowances for Uncollectible Accounts

Allowances for uncollectible accounts for pledges receivable and membership dues receivable are based on JCL's past collection experience, general economic conditions, and management's assessment of individual donor's ability to pay. Management writes off accounts to the allowance when further efforts are not expected to produce additional collections. JCL does not charge interest on these accounts.

Inventory

Inventory is stated at the lower of cost or market determined by the first-in, first-out method.

Property and Depreciation

Property and equipment are recorded at cost and are being depreciated using the straight-line method. The estimated useful lives of the assets range from 5 to 40 years.

Charitable Remainder Annuity Trusts

Charitable remainder annuity trusts naming JCL as beneficiary or partial beneficiary of the trusts are reported at their fair value using present value techniques.

Investments Held In Trust By Others

JCL is a beneficiary of a perpetual trust held by a third party. The investments within the trust are recorded on JCL's financial statements at fair value. These investments are subject to the restriction of the donor with principal and any gains or losses invested in perpetuity and only the income to be distributed to JCL based on JCL's interest in the trust.

Income Taxes

JCL has been recognized by the IRS as exempt from federal income taxes under §501(c)(3) of the Internal Revenue Code except for taxes on unrelated business income. Unrelated business income is earned on the sale of advertisements in the newspaper, "Community", published by JCL. For the years ended June 30, 2021 and 2020 the newspaper did not have taxable income.

JCL's federal Forms 990 are generally open to examination by the IRS for a period of three years from the date the returns are filed.

Debt Issuance Costs

Debt issuance costs associated with the property mortgage are amortized on the straight-line basis over the term of the debt.

Subsequent Events

Subsequent events were evaluated through November 18, 2021, which is the date the financial statements were available to be issued.

B. LIQUIDITY

The following reflects JCL's financial assets as of June 30, 2021 and 2020, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of assets, liabilities, and fund balances – income tax basis date. Amounts not available include amounts set aside for long-term investing that could be drawn upon if the board approves that action.

 Financial assets available to meet cash needs for general expenditures within one year	 <u>\$ 4,748,439</u>	 <u>\$ 1,771,199</u>

A portion of JCL's programs are supported by restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, JCL must maintain sufficient resources to meet those responsibilities to its donors. Thus, the financial assets may not be available for general expenditures within one year. JCL has funds invested in marketable securities set aside for the endowment and board-designated projects. As part of JCL's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

D. INVESTMENTS IN MARKETABLE SECURITIES

Investments purchased by JCL are initially recorded at their cost, and donated investments are recorded at fair value on the date they are received as a donation. Subsequent to their acquisition, investments in marketable securities with readily determinable fair values are adjusted to their fair values based on quoted market prices in active markets as of the date of the statements of assets, liabilities, and fund balances – income tax basis. Realized and unrealized gains and losses are reflected in the statements of revenues, expenses, and changes in fund balances – income tax basis. Investments in marketable securities including investments held in trust by others and investments held for other organizations at June 30, 2021 and 2020 consisted of the following:

The investments in partnerships are carried at estimated market value at the time of donation, since the estimated current value is not readily determinable. Cash surrender value of donated life insurance policies are carried at market value.

F. INVESTMENTS HELD FOR OTHER ORGANIZATIONS, DESIGNATED FUNDS, AND MANAGEMENT FEES

JCL maintains investment accounts for certain restricted endowment designated funds (80 designated funds) and funds held for other organizations (4 organizations) for which they receive a management fee. Fees were calculated to be approximately \$20,000 annually for 2021 and 2020.

G. ENDOWMENT FUNDS

JCL's endowment consists of approximately 300 individual funds established for a variety of purposes. Its endowment includes both endowment funds with donor restrictions and funds designated by the Board of Directors to function as endowments. Fund balances associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors of JCL has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the endowment funds with donor restrictions absent explicit donor stipulations to the contrary. As a result of this interpretation, JCL classifies as fund balance with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund, and (d) the remaining restricted funds until they are appropriated for expenditure by JCL in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, JCL considers the following factors in making a determination to appropriate or accumulate endowment funds with donor restrictions:

- (1) The duration and preservation of the fund
- (2) The purposes of JCL and the endowment funds with donor restrictions
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of JCL
- (7) The investment policies of JCL

Return Objectives and Risk Parameters

JCL has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets included those assets of funds with donor restrictions that JCL must hold in perpetuity or for donor-specified periods as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S & P 500 Index while assuming a moderate level of investment risk. JCL expects its endowment funds, over time, to provide an average rate of return of approximately seven to eight percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, JCL relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). JCL targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives with prudent risk constraints.

JEWISH COMMUNITY OF LOUISVILLE, INC.
NOTES TO FINANCIAL STATEMENTS

G. ENDOWMENT FUNDS (CONTINUED)

Spending Policy

JCL has adopted a spending policy of appropriating a distribution each year of its endowment fund's principal value as of December 31 of the prior year. This distribution allows for a straight four percent of the average balance in the endowed funds over the prior three years. The minimum distribution each year has been set at four percent. In establishing this policy, JCL considered the long-term expected investment return on its endowment. Accordingly, over the long-term, JCL expects the current spending policy to allow its general endowment fund to grow at an average of seven to eight percent annually. This is consistent with JCL's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

JCL follows a spending policy capping the amount withdrawn each year from the undesignated endowment funds without donor restrictions. The annual cap for the years ending June 30, 2021 and 2020 was set at five percent of the principal value of the respective funds. The Board of Directors believes it is in its fiduciary responsibility to retain the purchasing power of the endowment funds without donor restrictions into perpetuity. The five percent cap is based on an expectation that the average net returns on these funds will exceed seven percent.

Underwater Endowments

From time to time, certain donor-restricted endowment funds may have fair values that are less than the amount required to be maintained by donors or by law (underwater endowments). JCL has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At June 30, 2021, funds with original gift values of \$239,298, fair values of \$203,952, and deficiencies of \$35,346 were reported in net assets with donor restrictions. During the year, JCL did not appropriate any expenditure from underwater endowments. Management expects these amounts to be fully recovered during 2021 due to favorable market fluctuations.

H. LINES OF CREDIT

JCL has an available line of credit of \$750,000 with a bank, secured by real estate, that matures January 12, 2024. Interest is payable monthly at the prime rate with a floor of 4.25%. There were no borrowings on the line of credit as of June 30, 2021 and 2020. There were no subsequent borrowings on the line of credit as of November 18, 2021.

In November 2021 JCL obtained an additional line of credit of \$12,000,000 with a bank, secured by real estate and capital campaign pledges receivable, that matures in November 2023. Interest is payable monthly at the prime rate plus 1/2% with a floor of 3.25%. There were no borrowings on the line of credit as of November 18, 2021.

I. PPP LOANS PAYABLE

On April 19, 2020 and February 8, 2021, JCL was granted loans from Republic Bank & Trust Company each in the amount of \$890,200, pursuant to the Paycheck Protection Program (the "PPP") under Division A, Title I of the CARES Act, which was enacted March 27, 2020 and administered by the Small Business Administration (SBA).

KIDS UNITED PLAY TOGETHER PARK

COMMUNITY PROJECT
TO SERVE LOUISVILLE RESIDENTS FOR DECADES

Trager Family
Jewish
Community
Center

Having a child with autism makes every decision such as summer camp much more complicated. We feel very fortunate to be able to rely on the Trager Family JCC to provide an inclusive program that both of my children love. In particular, I am consistently impressed with the level of maturity and compassion of the camp counselors I have encountered.

PARENT OF A YACHAD CAMPER

“Yachad” means “Together” in Hebrew!

At the Trager Family JCC, *Yachad* is more than just a word or the name of our inclusion program. It is a philosophy that is integrated throughout everything we do! *Yachad*, being “together,” is woven into our preschool, camp, and children’s programming; *Yachad* not only gives children with disabilities a place in society to learn, teach and grow, but a space that fosters a greater sense of cooperation and understanding for peers without disabilities. Creating the capacity for children of all abilities to unconditionally care for one another is *Tikkun Olam*, repairing the world; these children grow into compassionate and empathetic adults.

WHAT IS INCLUSION?

Inclusion is the process that **creates accessibility** – both physical and emotional – that promotes a sense of **belonging** and encourages individuals to **retain authenticity**. In the Trager Family JCC’s *Yachad* inclusion programming, every child is an equal participant with the supports they require to succeed. Inclusive programming not only benefits the child with extra needs, but also his or her friends and peers, the school system, and society as a whole.

INCLUSIVE DESIGN ELEMENTS

PlayPros renderings of potential Kids United: Play Together Park, 2020.

The Trager Family JCC's playground design **EXCEEDS ADA REQUIREMENTS** for total accessible ground level components and elevated components accessible by transfer and meets the **TOP 10 PLAYGROUND DESIGN ELEMENTS** that support play for children with disabilities.

1. Circular playground design that links activities to complementary activities.
2. Playground equipment designed as common and recognizable objects.
3. Loose parts on the playground such as various props for imaginative play, play houses and tables, sporting equipment, sand toys, musical instruments, and water play opportunities.
4. Accessible surfacing and sufficient space for maneuvering between and on pieces of equipment.
5. Equal amounts of elevated and ground level components for gathering in groups, and more ramps or transfer systems to access elevated components.
6. Multi-niche settings (equipment/activities that require more than one child to operate or play).
7. Equipment that provides appropriate levels of challenge and risk for children of all abilities.
8. Observation points or "jump in points."
9. Comfortable or "cozy" places, often created by enclosed areas or pieces of equipment.
10. Sensory stimulus activities and visual or tactile cues throughout playground.

To Whom It May Concern:

I was thrilled when I first learned that the Trager Family JCC plans to install an accessible playground. My excitement about this project is personal and professional.

The JCC has been a part of my family's life for more than ten years. My three children all graduated from the Early Learning Center; they continue to see the friends they made as toddlers and preschoolers, and they still attend Camp J every summer. During their time at the JCC my children have learned so much about themselves, other cultures and respecting differences.

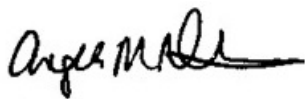

As a mother, I look forward to my children playing on a playground that was designed for everyone. An inclusive playground reinforces the lessons they learned at the JCC and at home: differences make us stronger, and a kind and welcoming heart is a universally spoken language.

For the past 16 years, I have worked at Metro United Way. As the current Senior Director of Community Impact, my team and I work every day to lift our community by mobilizing people and maximizing our community's resources to advance equity and share opportunities for all. Our vision and mission reflect our fundamental belief that all people belong and deserve fairness, justice, and inclusivity.

Professionally, the playground proposed by the JCC meets Metro United Way's vision and mission. It supports the above mentioned fundamental belief that all people – including all children – belong and deserve to be treated with fairness, justice and inclusivity.

Professionally, and personally, I whole-heartedly believe the measure of a community's success doesn't lie in those who already have opportunities to thrive, but in those still fighting for them. I fully support the JCC's commitment to this inclusive playground and the access it provides for all children to play together and learn from each other.

Sincerely,

To whom it may concern,

Big Spring Country Club is excited that our neighbors at The Jewish Community Center are renovating their campus. This updated facility is certain to bring a high level of public benefit to the Dutchman's Lane corridor with the additional amenities the new facilities will provide.

Additionally, the updates to the Dutchman's/Cannons Lane exchange with new traffic improvements will allow further benefits to traffic flow, as well as traffic and pedestrian safety.

We at Big Spring Country Club see this project as an enhancement to the area and look forward to seeing the changes the new campus and improvements will provide to the community.

Best regards,

Kelly Maxwell

Megan, thank you for the clarification. Also, does D8 still plan to have O-277-22 held at tomorrow's meeting?

Sonya, please add this email to the O-277-22 NDF packet. Thank you.

Hi LoTonya,

The JCL is not planning to spend the full \$538,481.90 combining the 2 quotes. Their budget for the project remains \$487,987.00 for the playground equipment, construction, and play surface. The 2 quotes are cost estimates, but there are elements in each quote that JCL is electing to not going to proceed with at this time to stick to the current budget of \$487,987.00

Megan, thank you for obtaining the PlayPros \$262,061.90 quote. If there are no changes to the NDF amount requested, then the below action is needed.

Based on the new PlayPros \$262,061.90 quote and the Play365 \$276,420.00 quote that is already included in the NDF packet, the combined quote amount is \$538,481.90.

The following pages within the NDF Application need to be revised to reflect the \$538,481.90 combined quote amount:
Page 4 – Section 5.B., please change \$487,987.00 to \$538,481.90.
Page 7 – Column 2, please change \$472,987.00 to \$523,481.90
Page 7 – Column 3, please change \$487,987.00 to \$538,481.90
Page 7 - the amounts recorded in the bottom area of the page under 'List funding sources for total program/project costs in Column 2, Non-Metro Funds' are required to total \$523,481.90. (Megan, please let Sonya know what amounts need to be recorded in this section.)

Sonya, please add the new quote to the NDF packet.

Thank you

Hi LaTonya,

The Play365 Quote is just for the playground equipment. It doesn't include the poured-in-place safety surface, or the accessible path, which are also part of the design. It also doesn't appear to include the construction/labor costs. Does JCL need to include an estimate for each?
