Mr. Dock,

I would like to respectfully request that the hearing scheduled on June 4<sup>th</sup> for the above referenced case be continued until such time that individuals who wish to comment are able to appear in-person. As you know, the Sutherland HOA is represented by legal counsel. They will have audio-visual materials(PowerPoint Presentation) that would prove difficult, at best, to present in a Zoom or other type online meeting format.

Additionally, there are multiple residents who will want to make comments regarding the project. I believe that an in-person meeting will give everyone, for or against, a better forum to make their comments, etc. Thank you for your consideration.

Regards,

John Clark
