Councilman Kevin J. Kramer,
District 11/Louisville METRO
601 West Jefferson Street
Louisville, Ky 40202

Dear Councilman Kramer,

Southeast Associated Ministries had a lapse in Executive Directorship thus was not able to come in to sign for the funds approved for our ministry development of our kitchen. I am the new Executive Director and I will be there to sign to forms immediately upon approval. Again, sorry for the hassle and thanks for your support to help out our community members that need their basic needs filled.

Very Respectfully,

A handwritten signature in black ink, which appears to be 'Ray Hatfield', is written over a large, hand-drawn oval scribble.
