Beth,

This meeting was held Tuesday evening at the Maryland Ave property. Three neighbors were in attendance. One used to be a city Zoning employee and was there in opposition to short term rentals, for personal reasons. The second had questions about parking, and was under the false impression that there would be 8 vehicles were stay. The third is in support, but had questions regarding the safety of his children. All questions were answered.

We will soon be filing out our formal application to proceed.

Thank you,
Jonathan
