Mayor Hagan & Mayor Vaughan:

I hope this email finds you both well. We are moving forward on the construction of phase 1 of the Ormsby Lane Sidewalk and public works and the office of management and budget are needing a written commitment from each of you on your commitment of \$50,000 to the project.

I believe rather than doing a resolution they are going to some type of memo to get the funds to us quicker. When you have a second could you just respond to this email so that I can get it over to OMB and Public Works.

Thanks,
Erin
