Re: Rezoning and Development Plan Application – Letter of Explanation

Dear Staff:

On behalf of Nicklies Development we are submitting the attached R-4 to PEC Zoning Change and Neighborhood to Suburban Workplace Form District Change Application and Development Plan Application with Waiver for a proposed Office/Warehouse project to be located at 3200 Dupin Drive, 3201 Dupin Drive, and 5400 Minor Lane.

Improvements to the site include construction of a 1,000,000 SF building with a 755-space parking lot. Parking will include 16 ADA spaces with this project. Onsite detention runoff compensation is proposed with additional volume compensation provided for any fill within the existing FEMA Floodplain.

Thank you for your consideration; please advise us immediately if additional information is needed.

Sincerely,
John D. Campbell
