Re: **LETTER OF EXPLANATION (Category 3 Plan Application)**
 1600 Bernheim Ln, Louisville, KY 40210

To Whom It May Concern:

I am writing to provide explanation of intentions related to **1600 Bernheim Ln in Louisville, Kentucky**. My name is Alexandria Bolton and I am a licensed real estate broker and co-owner of the referenced property.

I am attempting to use the existing buildings at the aforementioned address for the purpose of storing bourbon (or highly combustible items). There are two buildings that have a total of 233,555 square feet between and are rated "fire resistant" according to the PVA. I am seeking to allow an amendment of the 200' restriction for this use.

I appreciate your consideration and look forward to working in conjunction with all required steps for compliance with our local laws.

Sincerely,

A handwritten signature in black ink, appearing to read 'Alex B', with a long horizontal flourish extending to the right.
