**Subject:** Sunflower Ave New Sidewalk Estimate

Mr. Weathers,

The estimate for a new sidewalk on **Sunflower Ave** on one side of the road between Crums Ln and S Crums Ln is \$143,910.33. Even on this side of the road installation would include drainage pipes, a retaining wall, handrail, yard drains and catch basin adjustments. A breakdown of the project measurements is below the picture.

If you have any questions please let me know.
