Craig – thank you for the estimates. Check my total but my amount to repair all is \$10,703.53.

Let me run this by my councilman and get approval. I'll let you know his decision if we fund some or all.

Scott,

Here are the estimates you requested recently. I will be the project manager for these repairs. If Councilman Kramer plans to repair all of these at some point I recommend repairing all of them at once, if it's possible. Thanks!
