Buechel Bank Rd has 7 apt complexes and does not need another. Traffic is already horrible on it and often one cannot even get down to Bardstown Rd and turn. The light when it turns green only stays green a very short time and often one has to wait through 2 lights. In short this area cannot handle any more traffic. I and many of my neighbors oppose the rezoning and feel it will result in higher traffic rates and more accidents. We do not need another apartment house in this area. Thank you, Janice Poston
