Old Brownsboro Gardens Condominium Inc., a neighbor, enjoyed the Zeggz Restaurant. It is our understanding that a new restaurant, Tandoori Fusion, is moving in that location and have requested an awning so people may eat outside. Many people prefer to eat outside when the weather permits. An awning would be much better to block the sun than umbrellas. The picture of the proposed awning is very attractive and we would suggest you approve the awning.

Sincerely,

Connie Cheak
