Thanks Arnitra,

I should have written the estimate this way. The repair is actually on McCready Ave but the Lexington Rd address is the closest address.

Kyle,

I went out this morning to 22 Eastover Ct. I looked at the surrounding area and made the following additional estimates for sidewalks in the area that also need to be repaired. 301 McCready Ave below is rated a 3 but it could be repaired with council funds.

By the way, the repair that was done at 2911 Lilac Way was done by Operations and some or all of the money for this repair should still be in the account.

Thank you,  
Craig
