James, I would appreciate it if you could get me an estimate to pave the sidewalk/curb for the southwest corner of Louis Coleman (formerly 34th St) and W. Broadway. The addresses would be 3400 W. Broadway and 700-708 Louis Coleman Drive. Could this project also be considered for the large paving allotment you mentioned?
Thanks!

Mrs. Hamilton,

Our inspector went out and rated the sidewalk a 5. The repair is quite extensive. I have attached an estimate for this location. Currently the contractor is scheduled out till the 1st of the year with sidewalk repairs in other districts. I will have our crew place barricades/cones closing the area in question to pedestrian traffic until the repair can be made.
