Councilwoman Flood,

I am respectfully requesting funding for the 7th Division. The 7th Division works tirelessly to provide the best service and security to its citizens possible. As you know, successful strategic planning and operations requires an equitable amount of resource allocation. The 7th Division does an amazing job utilizing available resources but could benefit tremendously from additional funding efforts for overtime. I would like to respectfully request \$40,000 to assist Division efforts in crime reduction, crime prevention, and community outreach. The goal of this initiative is to improve safety and security for 7th Division residents as well as facilitate a positive relationship between the community and law enforcement.

Thank you for your consideration,
Kim
