

LOUISVILLE METRO COUNCIL  
OFFICE OF PRESIDENT DAVID JAMES

Lacey Gabbard,

As the councilman representing Louisville Metro's sixth district, I am writing to show my support for the development project located at 2618 W Broadway Street. The development of a new Popeye's restaurant is important to the economic development of our community. I have no objection to removing the existing trees in the Broadway right-of-way, providing that replacement trees are planted elsewhere – on or near the property upon completion of this project.

Please feel free to contact my office to speak to me directly concerning these matters, if necessary.

Sincerely,

A handwritten signature in blue ink, appearing to read "David James", is written over the word "Sincerely,".

David James

Louisville Metro Council President

Councilman, District 6
