Subject: Bonds for 2023-2024

Sonya,

The following bond renewals and applications for the newly elected officials were submitted to the agent in December of 2022.

The renewals were issued and have been submitted to Council Clerk for resolutions to be presented for City Council approval.

Those renewals consist of:

Council Clerk – Sonya Harward – she is covered from 1/1/2023 with a \$10,000 bond and premium has been paid for 2023

County Executive Judge – Queenie Averette – she is covered from 1/1/2023 with a \$10,000 bond and premium has been paid for 2023

County Clerk – Bobbie Holsclaw – she is covered from 1/1/2023 with a \$500,000 bond and premium was paid for 2023

The following bonds were requested, and coverage has been confirmed for all individuals as of 1/1/2023.

Chief Coroner – Jo-Ann Farmer – covered for 4 years with a \$10,000 bond

Deputy Coronors – 16 individuals listed on bond – covered for 4 years with a \$10,000 bond

Constables – 3 individuals – each covered for 4 years with a \$10,000 bond each

1. Shannon Leach
2. Monica Flowers
3. John Zehnder

The bonds have been delayed due to a system error according to Western Surety, the bond issuer. The bonds were initially received on January 25, 2023; however, they were incorrect and had to be sent back.

As of today, I was informed by our agent, the bond issuer is still having system issues, but assured me the everyone has coverage as of 1/1/2023 and the bonds will be delivered as soon as the system issues have been resolved.

Thank you
