We are replacing/installing a total of 4 signs and clearing vegetation away from a fifth. We are replacing two with our resources and two were to extend the zones beyond what we would typically do so you are funding it. The \$510 is for two signs.

Hi Everyone,

Is \$510 for two or three signs? I see below (and received a voicemail to the same effect) that Mr. Soergel is asking for three signs not two.

Thank you

Jasmine - would you go ahead and authorize the transfer of \$510 in CIF to PW for the below project? Would you also update our online CIF budget with this information and, also, update our online NDF budget with the Bardstown Road Aglow? Thanks!

CM Coan,

The project cost we are requesting assistance with is \$510. With your approval to fund this portion of the project, we will go ahead and conduct the installation.

Thanks,

Stuart

Several neighbors have expressed many concerns regarding big rock park.

I was able to meet with Stuart Sparks this afternoon regarding parking concerns along valetta Ave near the entrance to big rock park. Over the past several years as the park has become more popular and overrun more parking along the west side of valetta is occurring. This is a high traffic area and a tarco route. There is a blind curve that create many hazards. Fortunately there as not been any motor vehicle accidents or pedestrians struck.

Mr. Sparks has been gracious enough to offer placement of two no parking signs in the first two yards in this area. He admits that funding is tight and we asked him to place one more sign in the next yard for a total of three signs. I believe he is going to ask councilman Coan for funding for a third sign. If this is not possible I would be very willing to come up with the funding.

Please do not hesitate to call for email me .
